Informed Consent

This clinic utilizes the principles and practices of Naturopathic Medicine and other supportive therapies to assist the body's ability to heal and to improve a patient's quality of life and health through natural means.

Your practitioner will conduct a thorough case history. A physical exam, as well as blood and/or other laboratory testing may be performed as part of the diagnosis, and assessment of your condition. All of your personal and medical information will be kept strictly confidential

Statement of Acknowledgment

I have read and agree to the clinic policies. I understand that the medical care I will receive is based on Naturopathic and other supportive principles and practices.

I recognize that all the practitioners working with me will have access to my file, as Green Apple Health Care is an integrated health clinic.

I recognize that even the gentlest therapies can have complications in certain physiological conditions and therefore the information I provided is complete and identifies all health concerns including risk of pregnancy; and all medications, including over the counter drugs and supplements.

I understand that I have the ability to accept or reject this care of my own free will and choice and that I am not an agent of any private, local, county, provincial or federal agency attempting to gather information without so stating.

Naturopathic Doctors are highly educated health care professionals with a full university degree followed by a 4 year naturopathic medical degree at an accredited school of naturopathic medicine. Dr. Nowazek also has advanced training in specialty treatments like intravenous vitamins or natural joint regeneration.

At Green Apple Health Care, we do more than just use natural therapies instead of drugs. We look for the core cause of a health problem rather than symptom chasing with a natural alternative to a drug.

You should expect personalized, one-on-one care. We take the time to listen to you and thoroughly understand your health concerns and your needs. We don't chase symptoms or tell you how to "manage" them. We identify the specific cause of your health problem and address that with the proper natural therapies for you.

We work with you to find the most appropriate treatment for you, a plan that focuses on the core cause of your health problem. Your customized treatment plan will be designed to dovetail with your circumstances and lifestyle. Your plan will be designed to address your health issues in stages to keep the healing process continuously moving forward and make it easy for you to do.

Our team of experienced health care professionals is ready to help you and your family to achieve lifelong wellbeing.
